

The **TREELIABLE** brand of pre-collated bond colored copy papers is ideal for use in laser, inkjet, digital printers and copiers. The 20# sheets can be used by hospitals, data processing centers, insurance companies, schools and nearly any application that uses regular white copy paper.

These items can be used for multi part invoices, delivery receipts, statements and packing lists to name a few.

Shrink wrapped packages with convenient carton sizes are available for any situation from large fortune 500 companies down to a small home based business.
